

Partial Service Wedding Planning

Below is what is typically included in our Partial Service package – however, it can be customized to meet all of your particular needs!

- A minimum of 3 and maximum of 5 Meetings/Planning Sessions in person if local, or via phone, skype or google chat
- Attend one site visit with client to establish the flow and timeline (if local)
- Vendor recommendation and contract review
- Unlimited phone and email communication as needed
- Create itinerary for wedding day

If you need assistance with design elements, aesthetic or rental selection during your planning process, they can be added to this package for an additional fee (*if W Rentals & Events inventory is not being used*).

If you would like us to be at the wedding as a day-of coordinator, we recommend you select the month-of-planning package, as it would be better suited to your needs.

This package begins at \$500.00 and will be additionally customized as requested.
